

Visit Ellicott Dredge Technologies at the WWETT Show February 22-25, Booth #6408

The WWETT Show at the Indiana Convention Center is in two weeks! Be sure to come visit Ellicott Dredge Technologies (EDT) at [booth #6408](#). EDT, formerly Liquid Waste Technology, will be showcasing both the Mud Cat and IMS product lines.

Mud Cat 40EC (L) and Remote Operated Vehicle (ROV) dredge (R)

Personnel will be available to discuss new products, answer any dredge-related questions and offer solutions to execute your project in an efficient and cost-effective manner.

IMS 5012 LP Versi-Dredge (L) and 5012 HP Versi-Dredge (R)
